

## **Part 3. CITSCAPES Tools**

Part 3 of the report contains the following chapters:

### **Chapter 10. The CITSCAPES Developmental Positioning Tool**

Offers a tool allowing the institution to be placed on a developmental model focusing on student C&IT induction in the context of other C&IT developments.

### **Chapter 11. Descriptive Tool**

Offers a tool allowing a very detailed examination of many aspects of student C&IT induction within the institution.

### **Chapter 12. Skills Focus Tool**

Offers a tool encouraging reflection on the skills included in any particular programme of student C&IT induction.

### **Chapter 13. The CITSCAPES Website**

Indicates the features available on the project website.

### **Chapter 14. Resource Database**

Describes the structure and method of usage of the database focusing on resources relevant to student C&IT induction issues.

### **Chapter 15. Information Sources**

Points to some key sources relevant to student C&IT induction issues.

### **Chapter 16. Glossary**

Covers terms, abbreviations and acronyms relevant to student C&IT induction issues.
